2. The Lessor has filed a completed application to lease water rights described below into the Water Supply Bank on forms supplied by the Idaho Department of Water Resources and received by the Department on December 28, 2023.
3. The Director of the Idaho Department of Water Resources has reviewed the application for compliance with the Water Supply Bank rules and has approved the Lease subject to conditions listed below.

NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. **WATER RIGHTS:** The Lessor shall lease and the Board shall accept into the Bank the Applicant's water rights described as follows:

5. **CHANGE OF WATER RIGHT:** This lease specifies water right elements including but not limited to: diversion rates; diversion volumes; number of acres authorized to be irrigated; places of use; points of diversion; beneficial uses; and seasons of use. During the term of this lease, if a water right is administratively changed due to a water right split and renumbering, this lease may be reduced by an equal amount to reflect the water right elements as legally defined under the water right. If a lease contract cannot be reduced sufficient to reflect the legal definition of a water right as amended through a water right split and/or water right transfer, the Board may release the water right from the Water Supply Bank.
6. **ASSIGNMENT OF CONTRACT:** This lease is between the Board and the Lessor, who is the recognized owner or designated representative of the recognized owners of water rights described herein. Should ownership of any part of a water right herein described change during the term of this lease, either through a water right split, a water right transfer, sale of property to which the water right is appurtenant, or through any other recognized water right reassignment, the lease benefits and obligations to the conditions of acceptance for any such water rights will be assigned to the new owners.
7. **DUPLICATE ORIGINAL:** This Lease is executed in duplicate. Each of the documents with an original signature of each party shall be an original.

1. The water rights referenced above will be rented from the bank at the current rental rate.
2. There is no rental payment to the lessor of the water right if the right or a part thereof is not rented from the bank.
3. While a right is in the bank, the lessor may not use the right without approval of the Department even if the right is not rented from the bank. 4. A right accepted into the bank stays in the bank until the Board releases it, or the lease term expires. A right may be released from the bank upon request, provided the Board approves the release. Unless approved by the Department, leased rights may not be immediately available for release.

Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other Department application process.

9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. The use of water for irrigation under this right may begin as early as March 1 and may continue as late as November 15, provided other elements of the right are not exceeded. The use of water before March 15 and after October 31 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.
13. The unleased portion of right 63-7983 shall not exceed a total diversion rate of 0.08 cfs, a total annual maximum diversion volume of 22.5 af at the field headgate, and the irrigation of 5.0 acres.

13	Narrative: The Department received this application on December 28, 2023. The applicant wishes to place 4 acres of right 63-7983 into the Water Supply Bank (WSB) for a five year term. The idled acres are buildings, sidewalks and parking lots of the Lake Hazel Elementary School. Jonathan Gillen, Chief Financial Officer for the West Ada School District signed the application. This right was decreed in 2007 and the same 4 acres have been in the Bank from 2012 to 2022. The proposed lease would extend the lease from 2023-2027. Service areas for water rights owned by Veolia Water, City of Boise, and the Boise Project overlap this right but the application stated the acres would not receive water for irrigation from another source. This is a ground water right that is not within a WD.

Good Afternoon Nick:

The Department of Water Resources is seeking comment from your agency, regarding the Water Supply Bank (WSB) Lease Contracts 1795, 1796, & 1797, for Meridian Joint School District No. 2. The lease is for the same rights (63-7983, 63-31763, & 63-10393) and portions as previous leases (Contracts-ending 12/31/2022), for a new term from 2023-2027. So as not to confuse you, yes, the contracts all begin last year. A copy of the proposed lease contracts, the lease reviews, and maps are attached for your reference.

Please submit your comments within 14 days, no later than February 23, 2024. If we do not hear from you by that date, we will assume that no comment from you means you have no objection to, concerns about, or conditions pertaining to the execution of the lease.

Comments are preferred to be received by e-mail to bob.howe@idwr.idaho.gov. However, comments by regular mail and/or FAX to 208-287-6700 are acceptable.

If you have any questions, don't hesitate to contact me at the State Office at (208) 287-4847.
