Michael,

The City has agreed to consolidate the two rights 21-12994 and 22-13438 back into a single water right and eliminate the combined use limitation. Please proceed.

I sent a deed to McKenna for the ownership of the well lot. I don't know why it wasn't showing up in the parcel data, but Fremont County has it listed in the records now.

Thanks,

Kristin Moore

McKenna,

I just talked with Michael about this one. See the attached deed. It's also updated in Fremont County's parcel viewer.

Kristin,

Transfer 90159 for the City of Rexburg proposes to add a new point of diversion. We need a document or some sort of evidence that shows legal access to the new POD.
Let me know if you have any questions.
