RE: EXPIRATION OF LEASE CONTRACTS FOR WATER RIGHT NO(S). 35-2210, 35-7594, 35-14828, 35-14833, 35-14834 & 35-14836 TO THE WATER SUPPLY BANK

Dear Lessor:

This letter is to inform you that your lease contract(s) to the Water Supply Bank (Bank) has concluded. Lease contracts typically expire on the last day of a calendar year.

Lease Contract ID	Water Rights Leased	Contract Start	Contract End
1718	35-2210 & 35-7594	1/1/2023	12/31/2023
1721	35-14828, 35-14833, 35-14834 & 35-14836	1/1/2023	12/31/2023

The Department of Water Resources (Department) is taking action to close the expired Bank records. A water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. The five-year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you would like to renew the lease of these right(s) to the Bank, a new Application to Sell or Lease a Water Right to the Water Supply Bank form is required. If you have not already done so, you can download and complete a new lease application form by visiting the Department's website at <https://idwr.idaho.gov/iwrb/programs/water-supply-bank/water-supply-bank-forms/>.

Please note that applications received earlier in time and meet all the minimum requirements have an increased chance of being approved. You can view the processing spreadsheet for WSB application statuses on our website, at <https://idwr.idaho.gov/iwrb/programs/water-supply-bank/>.

If you have any questions regarding this matter, please contact me at (208) 287-4822.

Sincerely,

Mackenzie Kienholz
Water Supply Bank Specialist
