RE: Water Permit 93-07685

Dear Property Owner:

The Department of Water Resources (Department) has reason to believe you may be the owners of all or part of the property associated with water right permit 93-07685 (permit). The permit authorizes a total diversion rate of 0.09 cubic feet per second of ground water for irrigation, stockwater, and domestic use in a portion of Section 31, Township 47 North, Range 04 West, Kootenai County.

According to Department records, the current permit holder is Joshua N Wold and Moncia V Wold. A condition of the permit required the permit holder to submit a proof of beneficial use statement to the Department on or before **March 1, 2026**. The Department notified Joshua N Wold and Moncia V Wold by certified mail at 1984 Tumbleweed Cir Hayden ID 83835-8470. The correspondence was returned to our office marked "return to sender- not deliverable as addressed- unable to forward" by the US Postal Service.

If you are the current owner of the property appurtenant to water permit 93-07685, a Notice of Change in Water Right Ownership must be completed.

Along with the ownership change notice, you must submit either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* form. If the Department does not receive either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* by **March 1, 2026**, the permit will lapse.

I am enclosing a copy of the permit, a map showing the place of use, a Statement of Completion for Submitting Proof Beneficial Use, a Request for Extension of Time and a Notice of Change in Water Right Ownership form for your benefit. These forms can also be found on the Department's website, www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Julie Adams
