RE: Change in Ownership Water Right No. 74-37A, 74-39C, 74-7175, 74-7047

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Filing Fee:** Please review the proof reports and maps attached. Water right 74-10183 is for domestic use the only home I see within the SWSW quarter of Section 28, Township 16 North Range 26 East is owned by Robert Wagenkecht. Therefore, I don't believe you are entitled to any portion of that water right. According to the information available it appears water rights 74-7047 and 74-7175 will require a split. In order to update an ownership change resulting in a division of a water right a \$100.00 per water right filing fee is required, so an additional \$75.00 per water right. If you are not entitled to water right 74-10183 an additional \$125.00 is required. If you still believe you are entitled to 74-10183 an additional \$150.00 is required. We also sent you a letter (On January 13, 2026-copy attached) regarding another ownership change application and needing an Assignment of Application for Permit (which has no fee) adding that \$25.00 your additional fee would be \$100.00 (not including 74-10183).

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
