Re: Change in Water Right Ownership: 25-7256 (Split into 25-7256 and 25-14615),

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of a portion of the above-mentioned water right(s) to you. The Department has modified its records based on the information received and has enclosed a computer-generated report for you.

Your portion of each water right(s) has a specified point of diversion, nature of use and place of use. If you plan to change the authorized point of diversion, nature of use, or place of use, including adding a new point of diversion, you must file an Application for Transfer of Water Right. If you do not plan to change any elements of your water right, then no further action is required at this time.

The portion of the water right retained by the original right holder retains the original water right number. The Department is sending the original right holder a copy of this letter and a computer-generated report showing the changes to the original water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at 208-497-3787.

Sincerely,

Jonie Bailly

RE: Change in Ownership Water Right No. 25-7256

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The department acknowledges receipt of the following deeds: 478956 (from Barbara Hill to Barbara Hill, LeRoy C Wright and Marilyn Wright for parcel **RP05N38E343006**) and 478955 which is for a small 0.36 acre parcel added to your property. We still need a copy of the original deed for the remaining 1.2 acres of parcel number **RP05N38E343008**. Also, on September 18 the department requested a copy of the deed from Ruby and Dee Wright (current owner of the water right) to Barbara Hill. These documents can be emailed back to either easterninfo@idwr.idaho.gov or jonie.baily@idwr.idaho.gov or of course you can mail them to the address above or stop by the office. I did also call and leave a voicemail on 208-390-4738 and sent an email on October 16, 2025.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
