RE: Change in Ownership Water Right No. 29-2316

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Thank you for providing a copy of your recorded deed as a response to our December 30, 2025 letter, unfortunately additional information is required. According to the records filed with the department the current owner of the water right listed above is Ariel Larson. The deed received is from David Larson and AE-5 LLC to you, please provide a chain of title from Ariel Larson to David Larson and AE-5 LLC. These documents are public record; you can get copies from the county recorder.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
