RE: Change in Ownership Water Right No. 21-102D

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the records filed with the department the current owner of the water right listed above is Erma and John McCulloch. The deed provided with your ownership change application is from Teresa Gay Deland and Lela Ann Newey (who acquired title as Lela Ann Newey and L & T McCulloch Farms LLC) to you. Please provide a full chain of title from Erma and John McCulloch to Teresa Gay Deland and Lela Ann Newey (who acquired title as Lela Ann Newey and L & T McCulloch Farms LLC). These documents are public record, you can usually get them from the county recorder's office.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
