Good morning.

I apologize for this being last minute and I hope I have corrected everything that needed to be corrected. Here are the items addressed:

1. Place of Use: I have updated that on attachment one. This claim is only used at Township 09S - range 42E - section 32 - QQ SW - Q SE
2. Point of Diversion: one attachment 2 I have circled the approximate location of the spring. The information under 4. Point of Diversion is correct.
3. Diversion works description - this is a gravity fed spring and only pipes and valves are used to move the water.

Please let me know if you have any questions or clarification are needed.

Email or phone is fine. My number is (208) 709-4984.

Thank you.

Tyra Hayes
