PROOF DEFICIENCY LETTER

RE: Permit No. 65-23621

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof is not acceptable without the correct fee. A copy of the form is enclosed for your reference.

A license examination fee was not submitted with the proof form. This permit authorizes a diversion rate of 10.0 af (acre-feet) requiring a license examination fee of \$50.00. It was stated on the form that the total diversion volume developed is 5 af requiring a license examination fee of \$50.00. Please submit the \$50.00 required fee.

Regarding the amendment adding a second pond to permit 65-23621, proof of beneficial use (proof due) is due for both ponds by March 01, 2026. A separate proof due date **was not** established for the second pond.

Please submit the required fees at your earliest convenience before the proof due date of **March 01, 2026** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Julie Adams
