RE: Notice of Security Interest for Water Right/Permit No(s): 11-7303

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. **According to our records in our database, the owner recorded on the security interest is not the owner on record. Therefore, an ownership change is required.** When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at 208-701-7200.

Sincerely,

Marion Beck
Technical Records Specialist 1
