Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of an ownership change on January 20, 2026, for the above-mentioned water right(s). In order for the department to update the ownership, additional information and/or fees were required. The department sent a letter requesting additional information on January 13, 2026 (copy attached). On January 28, 2026, you contacted the department with questions, as we discussed different options you requested, we return this application unprocessed.

Because we are not going to process the application you are entitled to a full refund. The department has initiated the refund and it should arrive from the state office in a couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** The department is required to update the ownership the way the deed reads and the most recent deed received is going into the Gary Denney Blanchard Revocable Trust (your application indicated Gary Denney Blanchard individually), the department will update the ownership to the trust, unless you request otherwise. Also, it appears you may only be entitled to a portion of the above listed water rights. Water right 29-11426 is for domestic and stockwater, you may have a partial interest in the stockwater but it appears the domestic portion is appurtenant to a parcel owned by Bruce Denney Blanchard. If you believe you do have a partial interest in that water right an additional fee is required. Water Right 29-387, 29-388, 29-409, 29-410, 29-7169 and 29-7252 also appear to require a split. Please review the map attached it appears there are parcels covered by the place of use owned by: Bruce Denny Blanchard, Eldon Owens and Wayne Madsen. If all these water right will require a split an additional filing fee of \$525.00 is required. The filing fee for an ownership change resulting in a split is \$100.00 per water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
