Dear Parties,

Thank you for participating in the hearing over the last two days. Your preparation made the hearing run smoothly and created a good administrative record for the contested case. During the hearing, I took official notice of Water District 1 accounting reports for two irrigation seasons (2022-2023 and 2023-2024). Consistent with Rule 602 of the Department's Rules of Procedure (IDAPA 37.01.01), I want to direct you to a copy of the documents. The final accounting reports can be found on the Department's website: <https://idwr.idaho.gov/water-data/water-rights-accounting/WD01/> The two reports that are included in the record are titled "2024 Water Rights Accounting Report" and "2023 Water Rights Accounting Report."
