## PROOF OF NOTICE TO LANDOWNERS

## A MESSAGE FROM MAYOR MERRILL

As we enter this season of light and reflection, I invite each of us in Rexburg to embrace the spirit of kindness and peacemaking. Our community thrives when we choose compassion over conflict and understanding over division.

Nelson Mandela once said, "Courageous people do not fear forgiving for the sake of peace." Forgiveness is not weakness—it is strength. It is the foundation upon which lasting peace is built.

Dr. Martin Luther King Jr. reminded us, "Life's most persistent and urgent question is: What are you doing for others?" In this season, let us look beyond ourselves and seek opportunities to serve, uplift, and bring joy to those around us. I challenge each Rexburg family to perform some kind of service to others to celebrate Christmas and the spirit of giving.

President Russell M. Nelson taught, "The joy we feel has little to do with the circumstances of our lives and everything to do with the focus of our lives." When our focus is on kindness and reconciliation, joy naturally follows.

And in the words of the beloved teacher, Mr. Chips, "What greater lesson can there be than to teach kindness?" This simple truth resonates deeply—kindness is not just an act; it is a legacy we leave behind.

This December, let us commit to being peacemakers in our homes, neighborhoods, and workplaces. Small acts of kindness can ripple outward, creating harmony and hope in our city. Together, we can make Rexburg not only a place to live, but a place to love.

Wishing you all a season filled with peace, joy, and kindness.

Mayor Jerry Merrill

Re: Change in Ownership for Water Right No(s): 22-14632, 22-14630

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at 208-525-7161.

Sincerely,

Misty Pettis  
Office Specialist 2
