

To Whom it may concern,

I remember the ~~the~~ ~~the~~ ~~the~~ laws on the Perkins meadow to be used for irrigation and stock water purposes from 1949 forward. Its spring water that originates on the property. It also sinks on the property. We historically noted 2500 mature sheep, ~~50~~ ~~horses~~, 120 horses, 45-50 ~~horses~~, some cows and 1100 yearling cattle. The limited water from the natural springs and the impoundment,

Signed
