I am one of the neighbors who are directly affected by changes made to Mr. Scoresby's current use of his water right.
As he has contracted in the past with energy project developers who would have severely affected surrounding properties,
I question what his current plans are that have prompted this transfer request. Mr. Scoresby may not be acting with the
public good or the good of the local economy in mind. As one of his closest neighbors, I feel it is incumbent on IDWR to
determine why this particular change is necessary for the continuance of Mr. Scoresby's farming activities. I respectfully
request that more information be made available to Mr. Scoresby's neighbors and the community.

(Additional pages may be attached to describe the basis of your protest.)
Identify any review criteria that are not a basis for your protest:

- ☒ Check here if Protestor and Representative will accept service of documents by email at the email
address(es) listed under Item #2 and #3 above.

I acknowledge that if I, or my designated representative, fail to appear at any regularly scheduled conference or hearing in the matter, of which I have been properly notified, the Department may issue a notice of proposed default against me in this matter for failure to appear. **I also verify that I have served a copy of this protest upon the applicant.** Sent 2/2/26 by Priority Mail
