SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-7162

Dear claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 11-7162. After reviewing your claim, these items need to be addressed:

1. Date of Priority: You claimed a priority date of 4/1/1936 for irrigation use. To confirm this priority date, please provide evidence of historical use of irrigated acres, source, rate of diversion, point of diversion, and place of use.

Included is "Evidence of Priority" brochure which gives examples of documents that may be evidence. If you are unable to locate any evidence to the date you claimed, please provide evidence of the earliest date possible. Your claim may be recommended with the original license date if nothing is received.

2. Stockwater: You claimed stockwater use on this claim. However, the original license did not include stockwater. If you would like to add stockwater use, a separate water right claim will need to be filed with our office.

If you would like to contact me or schedule an appointment, my telephone number is (208) 701-7203 and my email is justin.edgel@idwr.idaho.gov.

Sincerely,

Justin Edgel
Water Resource Agent
