WATER DISTRICT 36A – PROPOSED RESOLUTIONS FOR 2026

DEPT. OF WATER RESOURCES
SOUTHERN REGION

- 1 **BE IT RESOLVED**, that hereafter the annual meeting of Water District 36A shall be held on the third Tuesday in January each year.
- 2 **BE IT RESOLVED**, that the amounts payable by each ditch, association, canal company, or other water user, as shown by the approved budget, shall become due and payable upon receipt and delinquent on April 15th, and said amount, if not paid, shall bear a penalty of 10% and interest from that date until paid, at a rate of 1% per month.
- 3 **BE IT RESOLVED**, that no ditch, association, canal company, or other water user shall have the right to demand and receive water, and the Water Master shall not deliver to such person(s) or entity(ies), until the amount due and payable from such user(s), as fixed by the budget, has been paid.
- 4 **BE IT RESOLVED**, that the Water Master shall be in service for a full year, commencing on February 1st of each year and continuing until the following January 31st, or until his successor has been duly qualified and elected.
- 5 **BE IT RESOLVED**, that Nathan Erickson be elected Water Master of Water District 36A for the ensuing year, beginning February 1, 2026, and ending January 31, 2027.
- 6 **BE IT RESOLVED**, that Frank Erwin be elected Assistant Water Master for Water District 36A for the ensuing year, beginning February 1, 2026, and ending January 31, 2027.
- 7 **BE IT RESOLVED**, that Ashley Cook be elected Secretary/Treasurer for Water District 36A for the ensuing year, beginning February 1, 2026, and ending January 31, 2027.
- 8 **BE IT RESOLVED**, that the elected Treasurer of Water District 36A should only disburse monies from the Water District accounts upon a voucher approved by the Water Master. Water District checks may be signed either by the Treasurer or Chairman, but must be co-signed by an Advisory Board Member. Advisory Board Members Frank Erwin or Phillip Henderson shall serve for the purpose of co-signing all Water District 36A checks.
- 9 **BE IT RESOLVED**, that Water District 36A assessments shown in the adopted budget shall constitute a final determination of the amount due for that year (per Idaho Code 42-612).
- 10 **BE IT RESOLVED**, that Water District 36A assessments shall be based on the most recent reliable data available to the Water Master and shall be assessed in 24-hour second feet (per Idaho Code 42-612).
- 11 **BE IT RESOLVED**, that the watermaster, working with the water district advisory committee, shall determine a list of non-consumptive and consumptive water rights. Using these lists the district shall prepare a proposed budget prior to the annual meeting (per Idaho Code 42-616, 42-612, and 42-605(A)). It is resolved that the recognized costs of delivery of non-consumptive rights in Water District 36A shall be equal to one-third the rate of the assessment per 24-hour second feet.
- 12 **BE IT RESOLVED**, that for the year 2026, a minimum charge of \$225.00 shall be assessed to each individual or entity that owns a water right, whose share of the total budget is less than the above specified amount.
- 13 **BE IT RESOLVED**, that for all mitigation and replacement water rights administered within the boundary of Water District 36A, the Water Master shall require lockable and controllable structures at all points of delivery and measuring devices approved by both the Water District 36A Water Master and IDWR. These mitigation and replacement water right diversions shall be measured and reported to Water District 36A, and shall be assessed by Water District 36A. Costs for structures and devices shall be paid by the owner of the water right being used for mitigation or replacement purposes.

14 BE IT RESOLVED, that the watermaster is authorized to appoint watermaster assistants to aid in the discharge of the watermasters duties. Watermaster assistants have the same responsibilities, authority and terms of service as the watermaster and must take the same oath as the watermaster.

15 BE IT RESOLVED, that within Water District 36A there are various ditch companies, associations, and canal companies that share a common water source among their water right owners and users. If a vote by shares is requested during any annual meeting, as specified in Idaho Code 42-605 (4), a designated representative from each ditch company, association, or canal company shall cast the vote. If any individual user within a ditch company, association, or canal company wishes to vote independently, it is the responsibility of that company or association to determine the appropriate portion of voting shares allocated for this purpose.
