RE: Change in Ownership Water Right No. 31-12056, 31-12112

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Filing Fee:** The department received an ownership change application for the water rights listed above, along with a security interest for Rabo Agrifinance. Unfortunately, the ownership change did not include a copy of the recorded deed. Please supply a copy of the recorded deed or deeds back to the current owner of the water right BLF Land LLC. Also, according to parcel information, it appears the ownership change of the water rights may result in a split, please review the maps attached. If a split is required for both water rights an additional filing fee of \$150.00 will also be required. The department received \$25.00 per water right, non-split ownership change is \$25.00 per water right (\$50.00), but if a split is required the filing fee is \$100.00 per water right (\$200.00).

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
