RE: Correct Claim Form Needed for CFPRBA

Dear Claimant:

The Department of Water Resources has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right. We are unable to recommend your adjudication claim to the Court for the following reason.

The Notice of Claim you submitted is on an incorrect form. I have printed out a correct form for you based on the Statutory Claim. Please look it over closely and verify all the information is correct. If any changes need to be made, cross out what you want to change and write in the new information and initial it. Please complete the highlighted areas, sign and date the form and return it to the Northern Region office.

Do not hesitate to contact our adjudication staff if you still have any questions or concerns.

Sincerely,

Dawn R. Lenon
Technical Records Specialist 1
