Dear Parties,

Justin Beard sent me an email earlier today notifying that the recharge report from Eric Miller has not been completed or circulated to the protestants. He asked whether the prehearing conference scheduled for tomorrow morning should be postponed. If I recall correctly, the protestants wanted to see a copy of the Miller report before moving forward with the contested case. Because the report has not been completed, I am afraid that meeting tomorrow will be a waste of time. Therefore, the prehearing conference scheduled for tomorrow, April 10th at 9 am is cancelled. We will wait to reschedule the prehearing conference until the Miller report is prepared and the parties have had an opportunity to review the report.

James
