Subject: Release of Security Interest
Attachments: Release of Security Interest (received Jan. 2026).pdf; Security Interest (filed Dec. 2020).pdf

Good morning,

The Department of Water Resources recently received a letter requesting to release Security Interest on (9) water rights. Upon initial review, there were a few issues brought to our attention. The letter received on January 20, 2026 is not on letterhead; therefore, it was difficult to determine the lending institution that sent the letter. Also, several of the water right numbers listed do not currently list a Security Interest holder, making it difficult to track down the correct water right records.

After further research, I believe I found the accurate information. It appears that the letter received January 20, 2026, is related to a Notice of Security Interest filed in December 2020 on water rights in the name of Higley Land Investments. Also, 6 of the 9 water rights involved in this transaction had been split and issued new water right numbers. I have attached the letter received in January 2026, as well as the Security Interest filed in December 2020.

In order to move forward with processing the Release of Security Interest request, we need you to confirm that we have identified the accurate information.

- Please confirm that the Release of Security Interest is in fact related to Higley Land Investments' water rights they acquired in 2020.
- Please submit this Release of Security Interest request on your letterhead, with the appropriate signature(s).

Upon completion, please send this information to our Twin Falls office at: IDWR, 650 Addison Ave W, Ste. 500, Twin Falls, ID 83301-5858.

Thank you in advance for your attention to this matter. Please reach out if you have any questions.

Thank you,

Denise Maline, IDWR Twin Falls
