RE: Change in Ownership Water Right No(s): 63-32290

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Quitclaim deed conveying a portion of water right 63-32290 to you. This water right was decreed to Jimmy Ray Tuttle and Kathy M Tuttle (Tuttle's) in 2009 in the Snake River Basin Adjudication (SRBA) after you purchased the land from the Tuttle's. Because the Tuttle's didn't own the land where a portion of the water is used in 2009 when the decree was issued, the decree separated that portion of the water right appurtenant to your property from the land ownership. In other words, as it stands today, the Tuttle's technically own the portion of the water right appurtenant to your property because the court decreed the water right in their names, not yours.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at 208-287-4942.

Sincerely,

Jean Hersley
