Dear Mr. Cooksey:

I am returning the amended claim and the new claims you prepared for me to replace the claims I had incorrectly filled out. I am also including the rejected claims you sent back in case you need them as well - if you don't please destroy them. I wasn't sure if you needed any of the attachments included with them, etc. Also enclosed is the check to cover the additional fees of \$3.⁰⁰.

Thank you for giving me the opportunity to correct the claims. If any other information is required please get in touch.

Sincerely,

Alexis Read
