RE Change of Ownership for 96-8435

I received a phone call from Alan & Darla Andrews regarding some mail they received from IDWR. They are currently out of town and couldn't physically look at the mail and wanted to know what it was. I looked up their claim number and told them a Change of Ownership was sent to them as their property had gone from their names into a Trust. They said they will be out of town until mid to late April and will take care of it upon their return. I told them that was fine.
