Marion,

I wanted to reach out to let you know that the G & H has sold the property in Franklin County. I've copied TJ Budge, who represents the Buyer and I believe will be handling these claims going forward. All correspondence regarding the claims we filed on behalf of G & H should be directed to him, but let us know if there is anything that you may need from us.

Thanks,

Brian A. Faria

Good morning,

Sorry for the late response. We are just starting to get thru our back log of claims. I'm currently starting to work on these claims, and I need additional information on one of the claims. Notice of claim 13-2159 requires a map, showing the Point of Diversion where the water is collected from Atkinson Creek. Also, on the map we need to know where the irrigated acres/landscaping are located and the homes that the creek supplies water to. If you have any questions, please feel free to reach out to me.

Thank you,

Marion,

We dropped off the attached claims at IDWR's office today in Boise with the checks. I've attached the receipts and the actual claims to this packet. If you need the warranty deeds and IDWR Maps, please let me know, but they are on file with the Boise office.

Thanks,
