All income received will be deposited into Frontier Credit Union.

The budget was discussed next. It was voted and approved by attending members. Members also added \$10,000 to the contingency fund. That amount will bring the 2026 budget to \$36,040.00. It was motioned by Nate Hogan and seconded by Steve Herbst. The vote was unanimous.

The treasurers report for 2025 was read and approved by attending water users.

The water members present voted the minimum assessment be \$100.00 per user pursuant to Idaho Code #46-612(5). This was motioned by Steve Herbst and seconded by Janelle Thomas. Members voted unanimously.

Collection of Assessments will be billed by the Lemhi County Treasurer's Office. They will charge an additional \$10.00 per user.

Water assessments shall be determined by Idaho Code #42-160 and #42-612 prorated on the amount of sum. This was motioned by Janelle Thomas and seconded by Steve Herbst. The water users vote was unanimous.
