SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-1102

Dear Claimant,

The Idaho Department of Water Resources (IDWR) is reviewing your claim for recommendation. These items need to be addressed before we can proceed:

1. Point of Diversion (POD): Please provide a description of the diversion works including how this property is irrigated and reasoning why this diversion is not identified on any available water district 11 watermaster report. The claimed POD is in the middle of a neighboring field north of the highway. If the claimed POD was located in error, an amended claim will be required to update the claim record.

Please make contact if you would like to discuss this. If we do not hear from you or receive additional evidence, your claim will be recommended with the information initially provided. It may be beneficial to hire a consultant or attorney to assist you in your research.

Sincerely,

Brian Wunsch
Senior Water Resource Agent
