RE: Change in Ownership Water Right No. 15-4187

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Notice to Property Owners:** A portion of the place of use of this water right is on property owned by someone else. In order for the department to update the ownership, notice to the property owner is required. According to the tax lot information available a portion of this water right is owned by John and Brenda Price and Flinders Samaria Ranch LC. Please provide them with notice of the ownership and send us a copy of the letter or notice sent. Copy of Idaho Code requiring this information is attached. Also, if you have a copy of the recorded Quit Claim Deed for the water right, please send a copy of that document.

The active status of a water right is not maintained by updating the ownership record. Department records indicate this/these water rights have not been claimed in the Bear River Basin Adjudication (BRBA). **You must claim this/these water rights in the BRBA, otherwise the water right(s) will be forfeited and lost.** The BRBA is conducted during a limited timeframe and it is important that you file the water right claim(s) promptly. The ownership change can also be complete with the claim process, if you prefer the ownership change can be returned and you can file the claim for the water rights for the property you own in your name.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
