REQUEST FOR EXTENSION OF TIME LETTER

RE: Permit No. 63-32499

Dear Permit Holder(s):

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **August 23, 2029**.

The Department has granted this extension because the time available to develop this permit was delayed by a government agency or pending litigation that brings title to water into question, pursuant to Idaho Code § 42-204(3)(a). The documented delay was 1,330 days.

You may be eligible for further extensions based on the same reason noted above if the issue is ongoing. Please submit supporting documentation providing dates for the period of delay with any future requests for an extension for this same reason. It is important that you work diligently toward the completion of the project during the new development period allowed by this extension as soon as the issue is resolved.

The extension is a PRELIMINARY ORDER issued by the Department pursuant to Rule 730 of the Department's Rules of Procedure (IDAPA 37.01.01). It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning this permit, please contact the State Office of the Department located in Boise at (208) 287-4800.

Sincerely,

Jean Hersley
