Subject: Information to send in Waiver request

Dear Lynn and Cari Severance,

In order to waive the requirement for an installed measuring device, you will first need to ask the Watermaster for District 65, Ron Shurtleff, whether or not he would recommend or require one be installed. His Email is waterdist65@srvinet.com and phone number is (208) 642-4465. If he confirms he does not see a need for an installed measuring device, please send a letter requesting waiver of installation stating such to:

Idaho Department of Water Resources
Attn: Dan Nelson
PO Box 83720
Boise, ID 83720

Thank you,
Mary
