**RE: NOTIFICATION OF WATER SUPPLY BANK LEASE EXPIRATION FOR WATER  
RIGHTS: 37-21732, 37-4301**

Dear Lessor,

Idaho Department of Water Resources (Department) records show that all or a portion of the above referenced water right(s) were leased to the Water Supply Bank (Bank) through December 31, 2025. **This letter is notice that the following right(s) will soon be released from the Bank:**

| Lease<br>Contract ID | Contracted Water Rights | Contract Start | Contract End |
|----------------------|-------------------------|----------------|--------------|
| 1345                 | 37-21732, 37-4301       | 01/01/2021     | 12/31/2025   |

A water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. The five-year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have not already done so, you can download and complete a new [Application to Sell or Lease a Water Right to the Water Supply Bank](https://idwr.idaho.gov/iwrb/programs/water-supply-bank/water-supply-bank-forms/) form by visiting the Department's website at <https://idwr.idaho.gov/iwrb/programs/water-supply-bank/water-supply-bank-forms/>. You can track the status of a new application through the Water Supply Bank Processing sheet on our website, here: <https://idwr.idaho.gov/iwrb/programs/water-supply-bank/reports/>

If you have any questions regarding this matter, please contact bank staff at (208) 287-4963.

Sincerely,

David Graybill  
Water Resources Supervisor - WSB
