SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-7776

Dear Claimant,

The Idaho Department of Water Resources has received the water right adjudication claim number 11-7776. Claim number 11-7776 will be disallowed because it breaks the mandatory permit requirements for surface water sources. Specifically, a spring that is developed on or after May 20, 1971 for domestic use is required to file a permit. Historical aerial imagery did not show a home in the place of use until 2009 and county tax parcel data has a year-built date in 2007.

The filing fee you paid for the adjudication claims may transfer to partially cover the permit filing fee. The forms and instructions to file a permit can be found on our website idwr.idaho.gov under forms. I have attached the form to transfer your filling fee to the permit filing fee for your convenience. The attached form has the claim fee amount along with your receipt number.

If you have any questions or would like help regarding the application for permit, please contact the Eastern Regional Office in Idaho Falls at (208) 525-7161 or easterninfo@idwr.idaho.gov.

If you have questions regarding the adjudication claim, our telephone number is (208) 701-7200 and my email is brent.bonney@idwr.idaho.gov.

Sincerely,

Brent Bonney
Water Resource Agent
