Sandpoint, ID 83864

RE: CFPRBA Subcase Nos. 97-07234 and 97-08480 (Emma M. Scott Declaration of Trust/Larry G. Scott Declaration of Trust, Objectors)

Dear Mr. Finney:

I am enclosing a Standard Form 5s ("SF5s") for the above-referenced water rights which has been signed by the Claimants, Bryce and Marissa Humphrey in the above-referenced water right subcases. An SF5 is the document required by the Clark Fork-Pend Oreille River Basin Adjudication ("CFPRBA") Court to settle water right disputes. The SF5s consist of two documents: a "cover page" for signatures, including a "certificate of service," and a "recommendation" that describes the elements of your water rights.

Please review the enclosed documents. If you find them acceptable, please sign and date on behalf of your client on the indicated signature lines on the cover pages, and place your initials on the revised recommendations. **RETURN BOTH OF THE ORIGINAL DOCUMENTS TO THE FOLLOWING ADDRESS:**

Craig L. Saxton
Water Allocation Bureau Chief
Idaho Department of Water Resources
322 E. Front Street, Suite 648
PO Box 83720
Boise, ID 83720-0098

The Department will obtain the remaining signatures and file the documents with the CFPRBA Court. You will receive a copy when it is filed.

If you should have any questions regarding the recommendations attached, please do not hesitate to contact Evan Roda, Water Resources Supervisor, at (208) 762-2815.

Sincerely,

A handwritten signature in cursive script, appearing to read "Suzanne M. Cooley".

SUZANNE M. COOLEY, Paralegal
Office of the Attorney General
Idaho Department of Water Resources

SUBCASE: 97-7234

STANDARD FORM 5

STIPULATED ELEMENTS
OF A WATER RIGHT

☐ AMENDED NOTICE OF CLAIM /
DIRECTOR'S REPORT

This form is used to report the stipulated elements of one water right acquired under state law. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Clark Fork-Pend Oreille Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be decreed as described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages. Attached pages should include a copy of the Director's Recommendation, noting where stipulated changes have been made.
