RE: Online claim filed erroneously necessitated a renumbering of claims

On 11/23/2021, an online claim was filed by Adam Frank using Water Right No. 96-7487. The source, priority, and purposes of use all differed from that license. 96-7487 was also not appurtenant to the property claimed.

On 5/2/2022, the owner of Water Right No. 96-7487, Raymond Libby, attempted to file a claim for that water right, with all elements claimed consistent with the license. However, as the number was already claimed previously by Adam Frank, Mr. Libby's claim was assigned claim no. 96-11007.

A Notice of Change in Water Right Ownership was received and processed for 96-7487 on 8/31/2022, changing the claim ownership from Adam Frank to John and Doreen Moore. The Moores also filed an Amended Notice of Claim for 96-7487 on the same day (8/31/2022).

During my review and recommendation of claim no. 96-7487, these errors were identified, and claim no. 96-7487 (now owned by John and Doreen Moore) was renumbered to 96-17192. Claim no. 96-11007 (owned by Raymond Libby) was renumbered to 96-7487.
