Re: Amended Notice of Claim to a Water Right form for CFPRBA Claim No. 96-7487

Dear Claimant,

The Department of Water Resources has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) water right claim. Through my review of your claim, I became aware that the claim submitted includes a lesser volume than what was originally licensed.

The Notice of Claim to a Water Right identified with the number shown above was submitted for the use of water from Little Sand Creek for domestic and stockwater purposes, based existing water right license no. 96-7487. That license includes an annual volume of 1.2 AF of water for domestic use and 0.2 AF for stockwater, totaling 1.4 AFY. The claim submitted online includes a total volume of 1.2 AFY and did not total the volumes for both uses. Before your water right claim can be recommended with the full volume of water originally licensed, an Amended Notice of Claim to a Water Right form must be submitted.

To assist you with this process, I am sending you an Amended Notice of Claim to a Water Right form, which can be utilized to amend your claim to include the full volume of the original water right (1.4 AFY). For your convenience, I completed much of the amended claim form for you, utilizing all the information from your previous claim as well as from the water right license. If any changes are made, be sure to initial those changes before signing the claim form.

PLEASE NOTE: If the enclosed Amended Notice of Claim is not signed and returned, the claimed water right serving your community (96-7487) may be decreed by the Court with a reduced volume from the original license.

After your review and signature, please return the amended claim to our office at the address listed above. There is no charge for amending the claim as it is still pending in the adjudication. Do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Evan W. Roda
