RE: Renumbering of Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim No. 96-13067

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right that you submitted online. The claim this letter is in reference to was submitted for the use of water from the Pend Oreille River for domestic purposes with a claimed priority date of November 22, 1993.

Our records indicate that the property claimed, Bonner County Parcel No. RP002780000030A (Lot 3 of Mountain View Lots subdivision) has an existing water right license appurtenant to it for the same water use and priority date claimed, water right no. 96-8782. Per our review, it was determined that your intent was to claim the existing water right for that property, water right no. 96-8782. As the basis of your water right claim is a previously issued water right license, your claim number has been changed to match that water right. Your new CFPRBA Water Right Claim number is 96-8782. Please reference this new claim number with all future correspondence.

Please contact me if you have any questions about your water right claim. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
