Re: Change in Ownership for Water Right No(s): 37-363F & 37-8703

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence updating ownership and removing Elizabeth Jo York from the above referenced water right(s). The Department has modified its records and has enclosed a computer-generated report for you.

You will notice that attorney Robert E Williams has been copied on this letter, as he is listed as attorney of record for the previous owners on Water Right 37-363F. If this is no longer accurate, the department can remove Mr. Williams from the water right record with written authorization from either you or Mr. Williams.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

Good morning Mr. Donovanick,

Collin in our Boise office forwarded me your questions related to updating the names on your water right records. I was able to look through the information you sent and hopefully I can answer all of your questions.

- 1) The Notice of Change in Water Right Ownership form is used to update ownership, including removing names. Although ownership is not changing and your name will remain on the records, this is the form we use to accomplish that.
 - a. No – you do not need to submit a plat map or survey map for this process. We typically ask for a map if the property is being split, but that is not the case with this name removal process.
- 2) Upon completion, you can send the Ownership Change form and documentation to our Twin Falls office, as we cover the Blaine County area here.
The correct filing fees are \$50.00 (\$25.00 per water right being updated).

The form itself is filled out correctly. In order to complete this process, you will need to include the Quitclaim Deeds that are referenced on page 2, item D (*Execution of Deeds*) on the Settlement Agreement you sent us via e-mail. The Settlement Agreement is not sufficient documentation to remove Ms. York's name from the water right records.

Once you have all of the information together, please submit the completed Ownership Change form, Quitclaim Deeds, and \$50.00 filing fee to our Twin Falls office: IDWR Southern Region, 650 Addison Ave W, Ste. 500, Twin Falls, ID 83301-5858.

Please do not hesitate to reach out if you have any other questions.

Sincerely,

Hi Denise – David Donovan reached out following my office day last Tuesday with a specific inquiry regarding removal of one party from his water rights. On Sunday, we sent a Settlement Agreement and draft form. He is looking for input on the required documentation; would you be able to weigh in? He also had a question regarding additional documentation in his item 1) below.

Let me know if this works or if I should ask him to submit the files to the electronic submission mailbox for the normal que.

Thanks!

Hi Collin,

Kindly see attached form for you review and feedback. I have also included supporting evidence documenting the transfer.

Two questions:

- 1) We really aren't changing the ownership, we are just removing one party and leaving the other existing party. Do I still need to submit a plat map, survey map or aerial photograph? When we bought the property originally this was not required.
- 2) There are multiple IDWR offices listed on page 3 in the form. Where should the \$25 fee be sent?

Thanks, David
