Memorandum:

To: 47-7936 & 47-17543

From: Denise Maline & Corey Skinner

Date: April 19, 2024

Subject: Ownership & names listed on Water Right Records

On November 15, 2023 IDWR received a letter from Country Acres Water Company regarding the ownership on the above referenced water rights. After further research and a phone call with Beulah Todd on April 19, 2024, Mrs. Todd indicated that some years ago she was told that she needed to identify the individual property / lot owners on the wells associated with these water rights or possibly face fines, etc. Mrs. Todd is the secretary for Country Acres Water Company and handles their affairs. It was decided that no further action was necessary at this time, as each individual owner(s) names do not need to be listed on the water right records.
