Why am I getting this mailing?

You are receiving this mailing because you filed one or more claims in the CFPRBA which may be affected by the federal reserved claims which have now been submitted to the IWA Court. The Idaho Department of Water Resources (“IDWR”) does not investigate or make recommendations for water right claims based upon federal law. This is your opportunity to review the federal reserved claims for any possible impact to your water right claims. The Director’s Report containing the Federal Reserved Claims, is available at the IWA courthouse in Twin Falls, and at the locations listed at the end of this notice. Copies of the complete report can be made, but you may be charged for copying and mailing. The complete report can also be downloaded from the CFPRBA website at srba.idaho.gov/FRBA1.HTM or at IDWR’s CFPRBA page at <https://idwr.idaho.gov/water-rights/adjudication/nia/cfprba/>. Maps of the reporting area, as well as other information pertaining to the CFPRBA can be accessed on IDWR’s CFPRBA page.

INSTRUCTIONS FOR TAKING A CLAIM TO COURT

What do I do if I disagree with any federal reserved water right claim?

If you disagree with any element of a claim to a federal reserved water right in the CFPRBA and want to be heard in court, file an objection with the IWA Court. Objections must be made on the standard objection form (“Standard Form 1”) available from any IDWR office or from the IWA Court. You may also download a copy of the objection form from the CFPRBA website at www.cfprba.idaho.gov.

Your objection to any federal reserved water right reported in the CFPRBA must be received by the IWA Court on or before **Thursday, June 25, 2026**. A copy of the objection must be mailed to the claimant of the water right and the Director of IDWR.

The register of actions for each federal reserved claim, or any other claim, can be found on the CFPRBA website at www.cfprba.idaho.gov. The register of actions includes links for viewing and/or downloading the documents identified in the register of actions.
