IN THE NAME OF PETER GAMBEE)
_____)

**PRELIMINARY ORDER
REINSTATING A PERMIT**

This matter having come before the Idaho Department of Water Resources (“Department”), the Department finds, concludes and orders as follows:

FINDINGS OF FACT

1. On January 29, 2025, the Department issued Permit No. 95-18616 (“Permit”) in the name of Peter Gambee (“Permit Holder”) authorizing the diversion of 0.04 cubic feet per second from ground water for domestic use in the SE¼SE¼ of Section 4, Township 49 North, Range 04 West, B.M., Kootenai County. A condition of permit approval required the Permit Holder to submit proof of beneficial use of water to the Department on or before February 1, 2026.
2. On November 28, 2025, the Department notified the Permit Holder by certified mail that proof of beneficial use was due and instructed the Permit Holder of the steps to be taken to submit a *Statement of Completion for Submitting Proof of Beneficial Use* (“Proof”), or a *Request for Extension of Time* (“Extension Request”).
3. On February 1, 2026, the Permit lapsed because the Department had not received an acceptable Proof or Extension Request.
4. On February 9, 2026, the Department notified the Permit Holder that the Permit lapsed because no Proof or Extension Request had been received.
5. On February 19, 2026, the Department received an acceptable Proof from the Permit Holder.

CONCLUSIONS OF LAW

Idaho Code § 42-218a(1) states, in relevant part:

A permit upon which the proof of beneficial use..., has not been submitted, or a request for extension of time has not been received on or before the date set for such proof or incremental statement, shall lapse and be of no further force nor effect... . Notice of said lapsing shall be sent by the department to the permit holder at the address of record by regular mail.

Idaho Code § 42-218a(2) states, in relevant part:

Within sixty (60) days after such notice of lapsing the department may, upon a showing of reasonable cause, reinstate the permit with the priority date advanced a time equal to the number of days that said showing is subsequent to the date set for proof.

By submitting an acceptable Proof, the Permit Holder has shown reasonable cause why the Permit should be reinstated. The Permit should be reinstated based upon the February 19, 2026 filing date.

ORDER

IT IS HEREBY ORDERED that Permit No. 95-18616 is **REINSTATED** and the Permit's priority date is advanced to September 8, 2024.

DATED this 9th day of April, 2026.

RE: Permit No. 95-18616

Dear Permit Holder(s):

The Department acknowledges receipt of the Proof of Beneficial Use form ("proof") and license examination fee for the above-referenced water right permit. Enclosed is an order that reinstates this permit since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for this permit has been advanced to **September 08, 2024**, pursuant to Idaho Code § 42-218a(2).

The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,
