RE: Change in Ownership Water Right No.34-503C

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence of ownership to update 29-7457 and 29-10138.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** **Evidence of Ownership:** In order for the department to update the ownership of a water right a full copy of the recorded deed is required. The department received only a partial copy of the Warranty Deed instrument number 000-06810. Please supply a full copy of the recorded warranty deed, including the property legal description.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
