10. Do you own the property listed above as place of use? No

If your answer is no, describe in remarks below the authority you have to claim this water right.

We have a cooperative use agreement with the owner of the NWSW parcel in Section 34 and NESE parcel in Section 33 and the water right was moved to this location from other property which we own and have dewatered. We own all other property listed above.

11. Other Water Rights Used:

12. Remarks:

Priority Date Explanation:

Approval of this transfer does not preclude the opportunity for review of the validity of this water right in the ongoing Bear River Basin Adjudication.

This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the place of use.

This right is limited to the irrigation of a specific 89 acres within the 224.9-acre place of use authorized by this right in a single irrigation season. The specific 89 acres to be irrigated by the right holder are shown in the electronic shape file associated with this right in the geographic information system component of the water rights database maintained by the department. Before changing the 89 to be irrigated within the 224.9-acre place of use, the right holder shall submit a new land list and representative electronic shape file or map to the Department prior to the irrigation season in which the change will occur.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).

Use of water under this right may be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This right does not grant any right-of-way or easement across the land of another.

The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
