Subject: Request For Extension of Time and Statement of Completion received for Water Right Permit 95-18039

The Department acknowledges the Request for Extension of Time (extension request) form you submitted on December 19, 2025 and the Statement of Completion (proof) form you submitted on January 30, 2025 for water right permit 95-18039. The Department cannot process both an extension request and proof of beneficial use; one of these forms will need to be withdrawn.

Before we can proceed with either the extension request form or the proof form, we will need a **written statement** that clearly states which form you want to withdraw.

You can respond to this email with your written statement stating which form you would like us to move forward with.

Thank you,
