10. Do you own the property listed above as place of use? No

If your answer is no, describe in remarks below the authority you have to claim this water right.

Claimant is a canal company that provides water allocated to its water rights to Twin Lakes shareholders, who own the places of use upon which water is utilized. The storage reservoir is located on land owned by Twin Lakes.

11. Other Water Rights Used:

13-901, 13-946B, 13-2289, 13-896B, and 13-7481

12. Remarks:

Priority Date Explanation:

Priority date is based on license issued by IDWR. Storage facility is Winder Reservoir. The license backfile describes the diversion works and storage structure and provided a volume limitation as if this water right included a storage component. However, the storage component was not included on the license. It is claimed now, even though it has historically always been utilized.

13. Basis of Claim: License
