Jose:

Thank you for your voicemail. Attached are zoomed in maps of the place of use and actual irrigated acres of the Consolidated Irrigation Company. My understanding of what is to be submitted for a large company like Consolidated is only the digital boundary, and it is not necessary to describe the irrigated acres per QQ.

In a separate email, I will email you the GIS shapefile for the digital boundary.

If you have any other questions or need any other information, let me know.

Thanks,

Robert L. Harris
