Dear claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 11-4271. After reviewing your claim, these items need to be addressed:

1. Date of Priority: You claimed a priority date of 04/30/1884. To confirm this priority date, please provide evidence of historical use of irrigated acres, source, rate of diversion, point of diversion, and place of use.

Included is "Evidence of Priority" brochure which gives examples of documents that may be evidence. If you are unable to locate any evidence going back to the date you claimed, please provide evidence of the earliest date possible. A personal affidavit may also be written that mentions historically known year that water use began, rate of diversion, irrigated acres, source, point of diversion, and place of use. This can be written by anyone with knowledge of prior water use.

If we do not hear from you or receive additional evidence by the response deadline, your claim will be reviewed with what has been provided.

Sincerely,
