RE: Ownership of Water Right 11-7086

Dear Claimants:

Recently you submitted an Ownership Change for Water Right 11-7086. Currently, we are unable to process your Ownership Change request due to incorrect conveyance documentation. We require a registered warranty deed, quitclaim, court decree, or contract of sale. Conveyance documentation requires the prior and current owners' information and the complete legal description of the property you have purchased.

Because this Water Right has already had a claim submitted and paid for, when you resubmit your Ownership Change there will be no charge for the Ownership Change. We will be refunding your fee of \$25.00, and it should arrive within two weeks. I will be happy to update our records upon receipt of this information.

If you have any questions regarding this matter, please call me at 208-701-7200.

Sincerely,

Marion Beck
Technical Records Specialist I
Preston Region
