Re: Reverse of Change in Water Right Ownership 96-7205

Dear Mr. Towle:

Per the discussion you had on the phone with Evan Roda at our office on May 7th, 2026, it was discovered that the above water right does not pertain to your parcel, Lot 3. It in fact belongs to Lot 4, which is currently owned by Milholen Family Trust.

The change in water right ownership form you submitted that was processed on 1-8-2024 has now been reversed to reflect the original claimants, Matthew & Lisa Alexander as current owners. A new Change in Water Right Ownership request will be sent to Milholen Family Trust to be updated by them.

I apologize for any inconvenience this may have caused, and if you have any further questions, feel free to call our office.

Sincerely,

Dawn R. Lenon
