RE: Ownership of Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Water Right Claim Nos. 96-9269A and 96-9274

Dear Property Owner,

We are currently reviewing CFPRBA water right claims in your area, and per data we have reviewed, it appears that the property you claimed in 96-9274 is currently owned by the Oliver Trust (Bonner County parcel no. RP59N01W287351A). While you may be a trustee of that trust, it is best for the ownership of a water right claim to match that of the listed property owner. Additionally, per our review, a portion of water right claim no. 96-9269A is also appurtenant to that property. Before we can modify our records to reflect the trust's ownership of those claims, the enclosed Notice of Change in Water Right Ownership form must be completed and submitted along with the proper conveyance documents reflecting the trust's ownership. A copy of the signed and notarized warranty deed typically works best for this purpose. Please follow the instructions included with this form and return it to our office with all the required information.

PLEASE NOTE: If the enclosed change of ownership document is not completed and returned, then the water right claims affecting your property may be decreed by the Court in the former property owner's name, and in your individual name, rather than the trust's, which may cause some difficulty in the future when the property is conveyed to another party.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,

Evan W. Roda
